

Dear Valued Customers,

It is with extreme sadness that I say Rosalie's Cucina is closed for dinner service until the health concerns of COVID – 19 are under control. We will continue to keep our Bakery open and serve to go products like cookies, coffee, and bread. The bakery will also continue to sell our dinner menu and family style to go menu food Wednesday through Sunday as long as it is still safe to do so. In addition to offering to go food from our Bakery we are going to offer curbside pick up as well as delivery to any home or business within 10 miles of Rosalie's Cucina. Both curbside and delivery will need to be paid in advance. We will most likely not always offer delivery but while times are hard for everyone, we think it is a good option to offer. We will update our menu on social media and keep you informed on any specials we may offer. Moving forward you may call the bakery (315) 685-4038 and place an order from our dinner menu which you will find online at [www.rosaliescucina.com](http://www.rosaliescucina.com) from 4 PM until 8 PM.

As always, we appreciate your business and support!

Executive Chef and Owner

*Marc Albino*
