

# *Rosalie's Cruisin' Cucina*

## *Catering Menu*

Rosalie's Food truck is part of a professional hospitality group which has been a part of the Finger Lakes hospitality industry since 1996. Rosalie's Cruisin Cucina is a mobile caterer with the ability to drop off food for events and provide full-service events at any location we can drive up to. The Rosalie's Food Truck specializes in Italian and Mediterranean food. It is our goal to provide fresh authentic food for our guests; much of what we do is cooked from scratch. We can cater most events: graduations, birthday parties, small weddings, bridal showers, holiday parties, family gatherings, barbeques, pharmaceutical events and so much more. We are a casual caterer in that we can provide great service for 25-150 people in a casual setting. If you prefer a larger upscale sit-down meal, please reference our full-service catering company, Rosalie Catering, which is based exclusively at The Sinclair of Skaneateles.

Please feel free to contact us with any questions you may have regarding small events or our food truck services.

Sincerely, Matt Stock

---

## Service details

All buffet items will be cooked on-site and served from the food truck. If you would like disposable chafing pans, tongs, plates, and napkins, we are happy to provide them for you at the price listed above. The buffet price includes professional staff members in black polo shirts attending the buffet. We will include the chafing pans and utensils if we are staying on property during the event. If we are just dropping off the food, you will require disposable chafing pans and utensils. At the end of the event the staff will package up the chafing pans, clean the buffet table and remove the waste from the buffet table.

For an additional gratuity of \$75 per server our serving staff will clear all plates from the tables and dispose of the waste. The service staff will attend the room for up to 1 hour after the buffet closes. Once the room is clean of all disposable plates, utensils, and buffet items the staff will leave the event.

If for any reason the food truck is not able to leave after 4 hours of service, we charge an additional \$150 per hour to stay on site. We define service as the time we start serving food until we complete the dinner service including clearing tables and recyclables.

In many cases we are asked to water tables. We are happy to provide bottled water at \$1 per bottle for the guests. We do not carry glasses, or pitchers of water on our food truck.

We are not able to provide coffee service although we could give recommendations of companies who can.

We are willing to cut cakes for weddings or celebrations and serve them on paper plates providing we know in advance. We charge \$1.00 a person for this service.

## *Food truck menu at your home or business*

We would love to come to your business or home and serve our food truck menu.

### **Here are the important details to consider.**

Our truck is 22' long, 8' wide and the height is about 12' 8 "

We require a 50-amp plug for our truck. If that is not an option, we can run on our generator. Please note we will need the generator on during operation to keep our food cold, lights on and fans running.

We will need a total number of people attending the function 72 hours in advance so we can prep accordingly.

We have a food and beverage minimum of \$2,000.00 that must be met for us to go to a home, private party at a park, or private business.

We can make custom menus specific to your event, additional fees may apply.

Vending for concerts, and or large events may have different considerations and no minimums.

---

### **We are not available for events on the following days.**

New Years Day/Easter/ Mother's Day/ Father's Day/ July 4<sup>th</sup>/ Halloween/ Thanksgiving/  
Christmas Eve/ Christmas Day

---

### **We charge \$1000.00 extra for the following dates.**
